Patrick Michael Ulrich

SEP 15, 1947 - AUG 16, 2023

It is with heavy hearts that we announce the passing of an admirable man, a dedicated servant to his country, and a cherished member of our family who touched the lives of many. On August 16th, 2023, Patrick M. Ulrich peacefully departed this world unexpectedly and will be dearly missed.

Born on September 15, 1947, Patrick began his journey right here in Southern California. He grew up in a small town in Kansas learning the value of respect and the commitment to community.

Patrick was a proud retired US Navy Vietnam Veteran. He was a faithful husband for almost 50 years. A dedicated father and a loving grandfather.

Patrick spent a significant portion of his life giving back to his community and establishing a heavy presence within the church.

His stories of naval adventures, his quick wit, his infectious laughter, and his empathetic ear will forever be cherished by those fortunate enough to have known and loved him.

Though he has set sail on his final journey, Patrick's spirit will forever remain alive within our hearts. As we remember the man he was and the values he upheld, let us find solace in the knowledge that his legacy will continue to guide and inspire us in the years to come. Fair winds and following seas, dear Patrick. You will be profoundly missed, but never forgotten.

Pat and I worked together in the VAST shop on the USS Enterprise during the 1978 cruise. We had a few things in common other than being in the Navy. Pat had an uncle who lived across the street from my grandfather in Russell Kansas. We also, both liked to do models in our spare time. In Hong Kong, he collected a few that you wouldn't normally find in the States. He was a great guy to work with.

Pat and I did a West Pac cruise on the Enterprise in 1978. He was a fine friend and a great role model. We had good times together and continued to work together after we returned to Miramar. He loved children and enjoyed working with the youths to help them grow spiritually and emotionally. He is missed by all his friends.

My grandfather was amazing. He was kind loving and funny. It has been an extremely hard time & I pray everyday he knew how much he was loved and hope he left this world in peace. I miss you so much but will always remember you as you were.
