My dear friend Joan...there aren't enough words to describe what a light you are to this world! It's too hard to accept that I won't get to hear that wonderful laugh of yours again. I miss you so much but I'm oh so grateful for the years of friendship we've had thus far. I cherish every moment shared, every lesson taught, every craft made, and your heart, above all else. There will never be a Joan like you and I'm happy we had time and space to be in community together. To an incredible human being, Love You always Joan My sincerest condolences and love to all of Joan's loved ones. Sending peace and light to you all.

I had the pleasure of working with Joan. I felt connected to her immediately because we share the same last name. :). However, soon after I realized it was her warm, kind, and friendly personality that drew me to her as it did to many others at school. Seeing her wonderful smile was always special.
