Oh sweet papa... You were the best grandpa and great grandpa anyone could ask for. Your adventurous and kind soul was loved by so many. You've been through so much and battled through everything with grace. We will miss you so much but, I know you are going to watch over all of us...until we meet again ☐☐

Oh, Papa! I miss you so much, it doesn't seem real. I remember the day of my graduation in 2006. That night I ran to get a tattoo and the first tattoo I wanted was your name. You were someone I have always admired, your hard work and love for family. I still say that you were like Iron Man and I don't know what you're made of but I want to be just like you. No matter what battle you were faced with you fought your hardest. I love you papa ♥
