Maria Estela Falomir
02/27/1946 - 01/03/2024

Una madre querida por todos se fue, su espíritu ya descansa... Ella duerme en paz, su trabajo se terminó. El trabajo de una madre es el mejor. Ella sabrá del placer de disfrutar un descanso perfecto, allá arriba en el cielo. Donde ella morara satisfecha protegida por el amor de Dios. Nuestros corazones sufrirán al dejarla bajo la tierra sagrada, No obstante sabemos que ella descansa en paz, en la casa de Dios.

Manuel Cuevas lit a candle in honor of Maria.

Losing Nana was like losing a piece of my childhood. She was my shield growing up and went to war for me. I miss her today and i regret not have taken the opportunity to tell her how sorry i was for growing distant with age. I was too caught up in growing up and doing my own thing, that I forgot that those before be grew older too. Mi familia, my thoughts are with you as you grieve.
