Billy Calvin Dixon

APR 15, 1954 - JAN 25, 2024

The family of Billy Calvin Dixon has entrusted Greenwood Mortuary to attend to the funeral services of their loved one.

A beautiful soul has been called to rest in the eternal garden under the care of their higher power.

While many will feel emptiness and the loss of their presence, many will find comfort that they are in a better place.

May his spirit continue to be present in every day of your existence and in every memory you express.

They say that one is forgotten or dies when you allow the memories to fade or go unspoken. Allow yourself time to grieve as this is part of the healing process but never forget that it lies within oneself to live and continue the legacy.

May his soul rest in peace and continue to watch over you and grant you strength.

Billy what a sweet guy. Let me say he lived fishing. But he lived his sweet daughter more. He was a smile waiting to be shared. I never heard an unkind word either from him or about him. If fishing is a thing in the next chapter he will be the leader of the team. He was a gift to the kids that got to fish at Chollas lake and would have taught and encouraged them every weekend. Moving on is so crazy for the people left behind, just remember to "smile and don't stress". He was a gift that will be treasured. ❤️ michele shepherd (his last boss)

Bruce Cherry posted:

I was a Bus Operator for MTS, retired after 16 years of service, Billy was a Transit Field Supervisor during my tenure at MTS. Billy was just a great supervisor to work with, everyone love him, let it be upper management, mechanics, service workers, clerks, and Bus Operators. I will miss my great friend, my great coworker, I thank you Billy from the bottom of my heart, RIP. Bruce Cherry
