# Andres Dominguez

JAN 30, 1998 - MAR 28, 2024

**A**ndres Domiguez, born on January 30, 1998, in San Diego, left this world unexpectedly on March 28, 2024, also in San Diego. He was the beloved child of Maria Gameros and is survived by his brother and three sisters.

Andres touched the lives of many with his warmth, kindness, and infectious smile. His presence was a beacon of light, and he had a way of making everyone feel seen and valued. Whether it was through his laughter, his unwavering support, or his genuine interest in others, Andres left an indelible mark on those fortunate enough to know him.

He was passionate about life, embracing every moment with enthusiasm. From his love for music to his adventurous spirit, Andres lived fully and fearlessly. His friends and family will forever cherish memories of conversations, shared laughter, and the joy he brought to gatherings.

Andres Domiguez was more than a name; he was a force of love and connection. As we mourn his sudden departure, let us also celebrate the beautiful soul he was and the impact he had on our lives. May his memory continue to inspire kindness, compassion, and a zest for life.

Let us honor his legacy by spreading love and supporting one another, just as he did during his time with us.

Rest in peace, dear Andres. Your light will forever shine in our hearts. 🙏
