Loren Alan Tomlinson

AUG 7, 1930 - APR 2, 2024

Loren Alan Tomlinson, 93, passed away peacefully on April 02, 2024 in Chula Vista with family by his side. Loren is survived by his children Karen, Loren (Dana) and Keith, grandchildren Matthew Schwartz, Tori Headrick (Mike) and Chelsea Tomlinson (Killian Sizer), great-grandchildren Harper Headrick, Trevor Tomlinson and by his brother Dick. Loren was preceded in death by his wife, Lolita, parents John and Mary and siblings Afton, Roy, Louise, Lillian, Bob and Pat.

Loren spent 42 years in the electrical distribution business, including as the General Manager of Coast Electric and as branch manager of OneSource downtown. There are still people working today that Loren hired into the industry.

Loren loved to fish and spent a lot of his free time fishing for albacore, rock cod, halibut, bass, lobster and many other types of fish from his boat, either in the San Diego Bay or in the Pacific Ocean. He also got into digging for clams in the local beaches around San Diego. Loren also enjoyed going to Utah or Arizona and fishing for trout. He continued to fish into his late 80's.

There will be a reception to follow at the home of Janet Mazarella.

Loren Tomlinson was one of those special people you meet in your life. I will always remember and appreciate him hiring me at Coast Electric and giving me a chance to work in a field I had no prior experience with. He was a great boss- soft spoken, supportive and always fair. Years later in retirement we re-established our friendship and spent many lunches together at Sardina's Italian restaurant talking fishing, family and just staying in touch. One of my favorite memories of Senior was taking him fishing on my boat and having a great day catching yellowfin tuna and getting harassed by a US Navy Destroyer who appeared to be using us as a practice target as we made our way back into San Diego Bay, He will be missed. Was the most wonderful man I ever worked for. He stuck up for me once when he didn't have to. I will never forget how he treated me (and everyone else)...a true roll model.
