Darlene M Poisson

SEP 9, 1964 - APR 22, 2024

The family of Darlene Marie Poisson has entrusted Greenwood Mortuary to tend to their care. While there is an emptiness that comes with deep sorrow of losing a dear loved one, may there be healing within our hearts once more. May the legacy of Darlene live on through the fond memories as we remember all the grateful opportunities we had with her.

Born on September 9th, 1964, in Rhode Island, Darlene was a student services specialist, assisting students with disabilities at Southwestern College. Not only did she find a wonderful niche at Southwestern College for 35 years, she also made friends with those she worked with. She was a wonderful friend and took you in as her own.

Darlene Marie Poisson passed on April 22nd, 2024. Grief is a wave that ebbs and flows which allows us never to forget our loved one. Take your time in that journey of grief in tears, reflection, and the joy in remembering Darlene.

May she rest in eternal peace. Please see below for service details.

I am blessed for having known Darlene. We were graduate interns together at the University of RI, where we shared many laughs together. We later worked together at Providence College where I was able to witness her tenacity, her depth of character, her sweet personality and her wonderful sense of humor. I recall being in attendance at the event with Claiborne Pell cited below. Darlene, you leave me with many, many cherished memories. You will not be forgotten.

It has been one of life's greatest blessings spending so many days with Darlene. She was a great friend and a truly incredible person. Her strength and perseverance is unmatched. Her intelligence and success is admired. Her love and faith in God is an inspiration. She taught me so much about so many things- great music, great books, historical facts, random movie lines, and so much more. I will forever miss hearing her sweet voice and stories about her life that she would share from her near perfect memory. Darlene was a remarkable individual. I am a better person having known her. Until we meet again, dear friend.♡Shaya

I met Darlene at Southwestern College - I was a student-worker and she was my supervisor. It didn't take long for us to become friends... Darlene was simply a beautiful and sweet person. She was thoughtful, generous, and always so grateful. I will never forget her voice, her accent ❤️, her passion for her job and for the people she served. Rest in peace, Darlene, I miss you so much.

Darlene M. Poisson You were an amazing human being. You overcame obstacle after obstacle in your life. When many said you'd never be able to live on your own or to travel or to drive a car you went out and did them all. You had great strength and determination. Now you are at peace and with God and will be for eternity. We were inspired by you. We will miss you.
