John Steven Lung Obituary (Date of Death May 22, 2024)
In Loving Memory of John Steven Lung
May 22, 2024

It is with deep sorrow and immense respect that we announce the passing of John Steven Lung, a patriot, dedicated serviceman, steadfast protector of our nation's borders, and a beloved family member. Born June 30, 1945; died May 22, 2024.

Steve dedicated four years of his life (1968-1972) to the United States Navy, where he served with honor and distinction. His time aboard the USS Harwood destroyer and the USS Bordelon destroyer were among the most defining periods of his service, reflecting his unwavering commitment to his country. His tours of duty included time in the Mediterranean and patrolling around Central and South America. Steve was decorated with the National Defense Service Medal.

After his naval service, Steve continued his life of service at US Customs and Border Protection, where he worked diligently to secure our border for 30 years. His leadership and dedication culminated in his retirement as a supervisor, leaving behind a legacy of integrity and excellence.

Steve's memory will be cherished and kept alive by his cousin Judith Elliott and his niece, Nicole Lung Evans, Lt. Commander, USN, who follows in Steve's footsteps of naval service. Steve's spirit of service and dedication to his country will continue to inspire all who know him.

We bid farewell to a true patriot, whose life was a testament to duty, honor, and the unwavering love for his country. John Steven Lung will be profoundly missed, but his legacy will forever sail in the hearts of those he touched.

Obituary

Bill Langston posted:

I severed with Steve on the Harwood and the Bordelon, We became good friends. He was on my mind and I was so sad to find his obituary. Last time we saw each other was when I was working in Chicago back in the 80s. If any family happen to see this tribute please get in touch with me. BILL LANGSTON843-409-3351

Brian Samuels posted:

Graduated from Indiana University with a degree in Criminal Justice. He worked for the Immigration Department and had also worked with District Attorney's Office. He was also a Marriage & Family Therapist. On a personal level he had very strong conservative values and wanted to encourage others to act with positive behaviors and he had very little tolerance for those engaged in unproductive activities. Steve is survived by his niece Nicole, daughter of his late younger brother whom he terably missed; and also his cousin Judy.
