Rosalinda Robles

SEP 2, 1969 - JUN 4, 2024

We gather to honor the life of a remarkable woman, a beloved mother, grandmother, daughter, sister, and a true woman of God. She fought a brave battle with cancer, showing immense strength and courage throughout. She leaves behind a legacy of love and kindness, having 6 children who carry her spirit forward. Her presence illuminated our lives, her smile a beacon of warmth and comfort. A selfless soul, she dedicated herself to her family and church community, always putting others before herself. Her unwavering faith in God guided her every step, inspiring all who knew her. In her passing, we mourn the loss of a truly extraordinary human being. Though she may no longer walk among us, her love and light will forever shine in our hearts. May her memory be a blessing and may we carry on her legacy of compassion and grace. Rest in peace, dear mother. You will be deeply missed, but your spirit will live on in the lives you touched and the love you shared.

Cousin Rosa, you will be missed dearly. I was remembering all those fun times we had at grandma Auroras house and when I went to visit you all in San Diego. Those were the best times. I know we had loss contact for some time but was thankful we connected again. I will always cherish those moments and remember your beautiful smile. You were such and fighter and warrior and you loved your best life the best way you can. You will carry a special place in my heart. I will miss you cousin. This is not good nye but see you later. Rosa, I remember when we first met you it was at old town In San Diego with your brother Edgar, Dina, Krystal, my husband and I. Not sure if somebody else was also there with us. But it was a joy meeting you interacting with you and getting to know you a little bit you seem very confident and happy. It was nice to see you that way, considering all that you've been through.. After that, I think we've seen you a couple more times but every time you were such a pleasure. Just know that I've always prayed for you and wish that things would go your way, but had other plans.. rest in peace, my beautiful, so you will be truly missed. Rick and Lucia Vega
