Alano "Loni" Chapple

SEP 28, 1960 - JUN 8, 2024

Alano Marvette Chapple, known to many as “Loni”, was born September 28, 1960, in Los Angeles, California. She was the third born child to the late Weldon and Earline Chapple. Loni has two older siblings, Cassandra “Sandie”, the late Derrick, and youngest sister Monique. Loni attended Saint Phillip Neri Junior High School and Regina Caeli High School. The Chapple family moved to San Diego, California in 1978 where Loni graduated from John Muir High School. Loni then pursued higher learning at Educational Cultural Complex (ECC) in Southeast San Diego where she studied Child Development and Black Studies. In 1990, Loni and her good friend, Julie McMillan, formed a childcare business, “Babes in Totland” where they provided a safe and effective learning environment for many children over the years. Loni continued with childcare throughout her life and eventually added event coordination to her repertoire. Loni truly enjoyed this industry as she was able to plan a variety of unforgettable events and parties, and yes, she did ALL kinds of parties, which led to her befriending many people and creating life long bonds. In 1993, Loni and Roderick Urise Sewell were blessed with a daughter, Jonei Pearl Chapple-Sewell. Loni did not only serve as a loving mother to her daughter, but she

opened

her home to family, friends, her church community, and the neighborhoods she resided in. In

doing so, she regularly assisted children and teens that endured hardship by drawing them

closer to God and providing them with a safe space. Loni took joy in opening her home and

heart to others throughout her life.

In 1995, Loni founded We Can Make a Difference (W.C.M.D.), a youth dance group centered

around Gospel Hip Hop where children, teens, and young adults had the opportunity to explore

their relationship with themselves and Jesus Christ (known for their talents and bright green and

yellow uniforms). In 2008, Loni continued to teach and lead young women by managing Sistah

Girls, a praise dance ministry. Throughout the years, Loni ensured W.C.M.D. and Sistah Girls

were constantly booked with performances and appearances throughout San Diego County.

With her heart set on God, Loni's faith was one many admired and occasionally found it

impossible to achieve. She not only maintained a strong connection to God but continued to

serve as a member at Liberty Temple Worship Center under the guidance of Pastor Michael and

Christina Page.

As we celebrate Loni's homegoing, she leaves her legacy with her daughter, siblings, cousins,

a host of nieces, nephews and great nieces and nephews, friends and all of those she adopted as family in her heart.
