Ivey, Norbert Frazier

JAN 1, 1941 - JUL 29, 2024

Ashley Kirk shared 9 photos to the **Tribute Wall** album.

My heart is shattered to learn of the passing of my grandfather Norbert. He's been such an important part of my life for so long that it's going to be hard to think about how to live without him around. I'm so grateful for all of the moments we've spent in company together and that you've been so present in my life at every key milestone. I'm so grateful to have had you in my life and I hope I made you proud pa. Thank you for everything you've done to love and encourage me to be who I am today. I wouldn't be where I am without you. Love you always and forever.

Ivey's passing is a tremendous loss. He has been my friend, in the true meaning of the word, for 60 years. My world is a dimmer place without him in it. My condolences to all of his family, especially Jack, Edward and Denisio. Travel safe brother and call me when you land.
