Jamerson, Stephanie Lynn

JUN 12, 1971 - SEP 6, 2024

The family of Stephanie Lynn Jamerson has entrusted Greenwood Mortuary to attend to the funeral services of their loved one.

A beautiful soul has been called to rest in the eternal garden under the care of their higher power.

While many will feel emptiness and the loss of their presence, many will find comfort that they are in a better place.

May her spirit continue to be present in every day of your existence and in every memory you express.

They say that one is forgotten or dies when you allow the memories to fade or go unspoken. Allow yourself time to grieve as this is part of the healing process but never forget that it lies within oneself to live and continue the legacy.

May her soul rest in peace and continue to watch over you and grant you strength.

We've been friends since 17. When you first move to AZ. I can't believe your gone. I'll miss being able to call you and pick up like no time had passed. Your laugh and that smile. I'm sure that beautiful mom and loving dad met you at the gates of heaven. Friend I'll see you in my dreams.

Stephanie my dear friend and sister. I am just now finding out about your passing and I am deeply saddened, but I know the good Lord has called you home. You are with your parents now. Your faith in the Lord, and your Christian Walk inspired so many and although we will miss you, we know you are with the Lord and we are all better people from knowing you and loving you. God Bless and Keep you.

Stephanie was the sweetest woman I ever met. I remember when I needed advice I could count on her to listen and give me guidance and prayer. I remember when I got a boyfriend she wanted to hear all about him and see pictures. I remember always going over to her house to hangout with Faith, but even after we got older because she was one of my moms friends we use to go over and have some of the greatest and funniest conversations. I still remember her talking about her "zoo" from the surprise bunnies to the kitten and sweet Romeo. She will be so missed.

Stephanie was the most amazing selfless person I ever knew. She was a god fearing woman. She is now with her maker and that thought gives me peace to know she's there. God needed her more than we did. She will be missed so much.
