Zamora, Phillip Anthony

MAR 28, 1989 - SEP 9, 2024

It is with deep sorrow that we announce the passing of Phillip Anthony Zamora, who left us on September 9, 2024, at the age of 35. Born on March 28, 1989, in Santa Barbara, California, Phillip was a beloved husband, son, grandson, nephew, cousin and friend. He had a beloved daughter as well.

Phillip pursued some college education and was in the active pursuit of a culinary degree as it was his passion.

He was married to Ariana Lizett Alvarez, his childhood sweetheart, who stood by his side through thick and thin. Their unconditional love was a testament to the strength and beauty of their bond.

He was known for his kind heart, his love for life, and his unwavering loyalty to those he cared about.

He will be deeply missed by his family, friends, and all who had the privilege of knowing him. Phillip's memory will live on in the hearts of those who loved him.

Rest in peace, Phillip. Your light will continue to shine in our memories."

Jimmy Hang posted:

The Great Man up above and Heaven's definitely gained a new angel in Phillip. Prayers to the Zamora Family. My apologies if this comes off as inappropriate. Have been searching for over a decade in hopes of thanking those who have made an impact in my life, Phillip Zamora was one of them. We shared the same birthday month of March. He stood up for me when I was being picked on by the bigger kids. Is this Phillip from San Diego, Ca who lived in the Golden Hills area and went to Brooklyn Elementary?

John Hammersla shared a photo to the **Tribute Wall** album.

I can't tell you enough how much I Miss you. Every day I think about, how you showed the world loyalty to the ones you love. I adored how much you valued our friendship, how you laughed and always enjoyed being in the moment. I know that you hurt and that pain was always there, but I want to thank you because you and Ariana were right, we have each-other because of you! I know you're out there checking in on us, and when we get to the other side I know we will pick up where we left off. I love you brother.
