Daniel Richard Riveroll

DEC 16, 1951 - SEP 14, 2024

Daniel Richard Riveroll, beloved father, veteran, and dedicated community member, passed away peacefully on September 14, 2024 at the age of 72. Born on December 16, 1951, in San Diego, California, Daniel lived a life of service, devotion, and love, touching countless lives through his generosity, talents, and commitment to family and faith.

A graduate of Crawford High School, Daniel went on to study Telecommunications at San Diego City College. He spent much of his professional career working for San Diego Gas and Electric/Sempra Energy, where he was a valued employee and colleague.

Daniel's sense of duty extended beyond his professional life, as he proudly served in the United States Army from 1971 to 1973. His deep commitment to serving others was further reflected in his many years of volunteer work. Daniel was a gifted sound engineer, lending his skills to various productions and projects throughout San Diego County. He also had a passion for music, playing bass guitar for the Ramona High School show choir from 1993 to 2002, and was known affectionately as the honorary "Team Dad" for the Ramona High School Song team during the 1997-1998 season.

A man of faith, Daniel attended the First Mexican Baptist Church with his parents and then College Avenue Baptist Church as an adult, where he volunteered his time as a sound engineer and playing bass guitar in the Celebration praise band. For many years, his love of music and sharing the gospel brought comfort and inspiration to many. His deep love for his family was evident in every aspect of his life.

Daniel was predeceased by his father, Refugio Riveroll; his mother, Benita Riveroll (née DeSantiago); and his brother, Ronald Riveroll. He is survived by his three children: Aaron Riveroll, Vanessa Killingsworth (née Riveroll), and Daniel David Riveroll, all of San Diego, who carry forward his legacy of kindness and love.

It is difficult to choose just one favorite memory of my dad, but one that I have been reminded of over the past week was when he was teaching me to drive. I had a learner's permit, so he would accompany me several places before I had my license, one time in particular was the mall. I was looking for a specific pair of Vans shoes, and he was very patient as I drove all around town looking for the ones I wanted. (I still have those shoes, by the way). He was always very generous with his time, which I will always remember about him. His kindness and giving spirit is something I will carry with me and try my best to pay forward to others.

Daniel you are now with the Lord Jesus. You have been loved by many, family , friends and coworkers. I remember when you worked at SDG&E the staff in the Customer Service pool, which was mainly all women threw you a shower for the coming of your first born. You came home with 7 extra large trash bags of gifts. They just loved you because you were a gentleman. I remember you would walk the ladies to their cars because they were scared especially downtown 1st, A streets. Your character of a noble caring man rubbed off to your children. I recall Aaron Riveroll starting a Good Guys Club at Point Loma Nazaren university, where the attitude was promoted to be respectful of girls. Your spirit will keep going through your childrens' lives.
