Her grandchildren are Kris Jones and wife Andreza of Oceanside, Steven Jones and wife Amanda of Oceanside, and Kyle Hanson. Dorothy retired from California Avenue School in Vista as a physical therapist aide. In her retirement, she enjoyed cruise ship vacations, sailing on over 50 voyages. She had other homes in Carlsbad, Escondido, Vista, San Marcos, and Joshua Tree in California. She was born in England and came to the US at age 16 with her parents, living in Florida and New York. Her father was a British merchant marine and her mother was a nanny. She married at age 21 and moved to California, bearing two children. She gained her US citizenship and was a working mother, raising her children with her husband. Dorothy was the dearest and most loving mother and wife to her family. She is deeply missed and remembered by all of her family and friends. A celebration of her life will be planned at a later time.
