Remembering Our Beloved Jack Joe Silva March 30th, 1949 - January 19th, 2025
Our hearts are heavy as we share the passing of Jack Joe Silva, a cherished father and dear friend. Jack left us peacefully at his home in California on January 19th, 2025. Jack is survived by his son, Dominic Silva; his sisters, Pamela and Nancy; and his cherished grandchildren, Isabella and Shane, many beloved nieces, nephews, cousins, and grandnieces. Born on March 30th, 1949, in California, Jack lived a life filled with joy and passion. An intelligent and compassionate soul, he touched the lives of everyone he met. His humble nature and loyalty made him a steadfast friend, and his resilience*inspired us all. Jack's love for sports and music was infectious. He especially cherished the times spent cheering for his beloved Padres. He loved the Padres more than words can express, and his eyes would light up with every game. He is survived by his loving son, Dominic Silva, who was the light of his life. Their bond was unbreakable, and the memories they created together will forever be treasured. We invite family and close friends to join us in celebrating Jack's life at a service on February 16th, 2025. Details will be shared privately. Jack, you will always be in our hearts. We will miss your laughter, your wisdom, and the warmth you brought into our lives. To send flowers or a memorial gift to the family of Jack Joe Silva please visit our Sympathy Store.

I met Jack way back in 1968 in San Diego when we moved from New York and my husband at the time was in a big band with him. Jack also invited me to pose for some old time photos for photography class.. I had a high neck white shirt and hair pulled back. My first modeling job! Lol . Was fun. We remained friends all these years across the miles when I left California back to New York. Only lived in San Diego a year. He did visit Tucson Arizona when We were there for a short time. Then back to New York were Ive remained since.Almost got to see each other in New York but missed that opportunity. Still our friendship was always there. We shared talks of our grandchildren too! I contacted Jack only recently about the fires out there and he assured me San Diego was safe. You were a kind and caring man who will be missed by your family and friends Jackson. You were loved and blessed by our Lord. Thank you for your friendship all these years. My heartfelt condolences to his siblings, son and granddaughter and his many friends. You were a good man Jackson. Love you dear friend sincerely Dotty and Carl Spitaleri

Brad Tietjen lit a candle in honor of Jack.

Jack was my mentor at RJD. I was a fellow electrician. He gave me guidance and showed me the ropes of how to navigate that big institution. He always backed me up and was my friend. We had long conversations on the phone and would meet up for lunch-always Applebee's as it was his favorite restaurant. We had plans to meet up this month. Well Jack we will meet up in heaven and I am sure will show me the ropes up there. I love you friend-Brad "Bradster" Tietjen

I worked with Jack at RJD. I was the Senior Tech in radiology and Jack ALWAYS had my back with continuous electrical breakdowns of my equipment. I would often walk out with him when we got off work. He would walk me to my car and we would chat sometimes for over half an hour. He was a great comfort to me when my husband was in a terrible accident at work and would always check on me to see how Brad was doing and how I was doing. There will never be an another Jack-he was the heart and soul of the Plan-ops department. I love you Jack-I'm sure you're fixing something in heaven. Mae Tietjen
