Bruce Gordon Klevmoen

JUN 10, 1939 - MAR 10, 2025

In Loving Memory of Bruce Gordon Klevmoen June 10th, 1939 - March 10th, 2025 With deep love and gratitude for a life well lived, we announce the passing of Bruce Gordon Klevmoen, who departed this world peacefully on March 10th, 2025 at the age of 85.

A man of remarkable vision, boundless energy, and unshakable faith, he leaves behind a legacy that spans generations and industries. Born in 1939, Bruce lived a life full of ambition and adventure. He became a father at just 16 and went on to raise nine children, welcoming his youngest at the age of 46.

Family was the heartbeat of his life, and he took immense pride in each of his children, passing on to them not only his work ethic but his compassion and sense of humor. A true entrepreneur from a young age, Bruce co-owned an airplane and ran a mink farm among many other ventures. But it was in the death care industry that he found his calling-and helped many others find theirs.

He became a respected and well-known figure in the field, mentoring countless individuals, many of whom owe their careers to his guidance. His legacy lives on in the family members, including many of his own children, who followed him into the profession. Those who knew him will remember his unmistakable hum, his sweet tooth, and his joyful conversations with just about everyone he met-often to the embarrassment of his kids, who eventually learned that their dad truly never met a stranger.

His warmth and friendliness made him a cherished presence wherever he went. More than anything, Bruce was a man of faith. He began each day reading his Bible and walked closely with Jesus. His deep spiritual conviction and daily devotion were the cornerstone of who he was.

He is survived by his nine children, numerous grandchildren, and the many friends, colleagues, and mentees who loved and admired him. A service to honor his life and legacy will be held at

My prayers are with Bruce's family. He dated my sister, Patty Cleveland and often times they would practice at our house. They both were in the Riverdale (ND) high school band. Bruce was a very friendly young man and well-liked by his classmates. Our Riverdale families all left when we graduated, and I wanted to keep everyone friendly and up-dated so I took it upon myself to be editor of the RHS Newsletter and shared news to the alums over the past 70 years. I'm sorry Bruce was not on my list, but a classmate of his just let me know through e-mail of his passing this morning. I will post his obituary to everyone. Blessings to his family.
