Bleselda Parazo Castillo

JUL 14, 1955 - APR 4, 2025

Bleselda "Bessie" Castillo was born July 14th, 1955, in Rizal, Philippines.

Beloved wife to Herman, and a devoted mother to Oliver, Meliza, Marco, and Juliann, she was the heart of our family. Bessie was defined by her kindness, gentle spirit, and unwavering love. She was a Super Mom, a wonderful cook, and had a gift for nurturing life - whether in her beautiful garden or in the hearts of those she touched.

She always put others before herself, offering her help and her heart to family, friends, and all who knew her. She was deeply loved by her children, grandchildren, and all who were fortunate enough to have known her.

Bleselda will forever be remembered as the greatest love in our lives. We are eternally grateful for her love, and will carry her memory with us always. Rest in peace, Mama. And may God be with you.

I am Cora de Guzman, sister of Bleselda Castillo. In behalf of my family, we wanted to extend our deepest sympathies to Castillo family. She was a good sister—kind, warm, and full of love. Her big heart touched everyone who knew her. Though she is no longer with us, her spirit and the memories we shared will always live on in our hearts.

I love you my Ate Bessie. Thank you for everything. May God be with her and grant her eternal peace.
