## Obituary

**Reita Fern VinCurek**, known lovingly as Fern, a cherished wife, mother, grandmother, great-grandmother, and devoted servant of God, passed away peacefully at her home in El Cajon, California, on May 20, 2025, at the age of 87. Born on October 31, 1937, in Plainview, Texas, Reita lived a life marked by faith, service, and love.

She is survived by her loving husband, James VinCurek, and her four children:

Stephen and Mindy VinCurek of Lakeside, CA

Lorrie and Robert Dykmans of El Cajon, CA

Connie and David Lloyd of Alpine, CA

Kim and John Dupree of Grandview, TX

She was a proud grandmother of eight and great-grandmother of fifteen, each of whom was deeply blessed by her love and guidance.

Fern faithfully served her community through her work in the transportation department of the Cajon Valley School District, where she was admired for her dependability, kindness, and quiet strength.

A true Child of God, Fern was a long-time member of Lakeside Christian Church and later Skyline Church in Lakeside, CA, where she worshipped faithfully and nurtured her steadfast devotion.

Her spiritual life was the foundation of her character, and she lived each day with grace, humility, and compassion.

Fern's legacy is one of unwavering devotion—to her family, her faith, and her

Grandma Fern would have all of the grandkids sleep over on her living room floor and we would watch a movie like one of the original Star Wars together. Then around 4am, she would walk through the living room and push the button on her talking alarm clock that would read the time out loud over and over until we all woke up (I believe Grandma gets all the credit for me now being a morning person). Then we would gear up and pile into the back of her blue Buick and head out toward Lake Cuyamaca. We would listen to country music (Achy Breaky Heart and Way Down Yonder on the Chattahoochee are forever etched in my brain because of Grandma) on the way while four to five of us grandkids "shared" seatbelts in the backseat. At the lake, we fished together and played together. I cannot see Cuyamaca without remembering the rocks we sat on as we fished with Grandma (Grandpa, too). She Loved us so much and shared Jesus' Love with us constantly - Grandma, Grandpa, and my Mom are the reasons I am saved and I know I will see Grandma again one day!
