Services for Mandy held during the month of July were limited to family members only. She has been laid to rest at Greenwood Memorial within the Bible Mausoleum. On the top floor of the left side of the building. Corridor of Genesis, at the very end of the hall of Exodus. On the right side at the very top level. Her name has yet to be added as of mid September. Staff will gladly escort you to her exact location.

Mandy left me with so many beautiful memories. She had a way of making everyone she met feel better about themselves. She opened up her heart with genuine caring, without judgment or expectations.

Mandy, you were the love of my life. As I look back over my entire life there is no one that I have loved more. No one else has shined a light of love upon my world brighter than you. For 20 years we shared our lives together. You are the greatest gift that God has so generously given to me. I will love you throughout this life and into the next.

She was one of the sweetest people you could ever meet. Her smile and laughter lit up the room! She will be painfully missed by so many friends who loved her ❤️😭
