Marlene Robershaw

DEC 4, 1934 - OCT 4, 2025

Marlene Robershaw passed away peacefully on October 4, 2025, at the age of 90.

A celebration of her life will be held on November 3 at 10:00 AM at the Salli Lynn Chapel at Greenwood Memorial Park. Marlene was the loving mother of Natalie, John, Valerie, Cindy, Ritchie and Tom, and proud grandmother to 13 grandchildren. Her love and generosity extended beyond her family to her neighbors and the entire community she cherished.

A long-time resident of Ramona, California, Marlene was an active and dedicated member of her community. She served in leadership roles with the Christian Women's Club, Republican Women's Club, Community Concerts, and the San Diego Country Estates Homeowners Association.

Marlene found joy in gardening, researching her family genealogy, swimming, watching Wheel of Fortune, and attending church. She also had a heart for ministry, often speaking at Christian women's conferences through Stonecroft Ministries, where she loved sharing the following Bible verse as part of her testimony: "God has not given us the spirit of fear, but of power, and of love, and of a sound mind." - 2 Timothy 1:7

In lieu of flowers, the family invites you to donate to a Bible-believing church in your community in Marlene's honor. Her warmth, loving concern, and unwavering faith will be missed by all who knew and loved her.

My daughters and I will miss Marlene the most for her kind hearted spirit, love of family and all those wonderful holidays when we all gathered together. Go with God and we'll see you on the other side someday.

Marlene was always consistent in her walk with the Lord, ever faithful, unwavering, loving, kind and dedicated to her family. She tirelessly searched the Marchese ancestry for all of us and discovered unknown Italian relatives, much to our delight. She is now on the heavenly tour with Ron and seeing all the wonders God has created. We all loved her so much. Diana Anderson

I remember going down to San Juan Capistrano for the first time by train with Grandma. I don't think I could ever forget when we were sitting down for gelato and Grandma eagerly taught me a few words in Italian. I never did forget the word manja, or let's eat. Grandma always had a strong enthusiasm about her that made her words difficult to shake, and even as she struggled to share them, their impact rung no less. I think I will always admire her strength and confidence, even in the little things.
