# Monique Renee Ferguson

DEC 2, 1980 - OCT 10, 2025

**M**onique Renee Ferguson was born on December 2, 1980, in San Diego, California, to the late Norman Ferguson Sr. and her devoted mother, Claudia Ferguson. On October 10, 2025, Monique was called home to be with the Lord.

Monique accepted Christ at an early age and was baptized at New Life Baptist Church by Pastor Owens. She attended Mount Miguel High School, proudly graduating with the Class of 1998. Later in life, she continued her education and earned her bachelor's degree in business from the University of Phoenix in 2012. Monique dedicated 13 years of service to the City of San Diego, where she was highly respected for her professionalism, compassion, and positive spirit.

Monique lived a life full of love, laughter, and adventure. She enjoyed fishing, camping, traveling, and watching horror movies, but nothing brought her more joy than spending time with her family and friends. To Monique, everyone was family. Among her favorite places to visit was the beach, where she found peace and serenity.

Our hearts are forever changed by the life and love of our dearest Monique. To know her was to experience genuine kindness, laughter, and unwavering loyalty. She was funny, loving, and always giving. Through every season of life—the good, the bad, and everything in between—she stood beside us with strength, humor, and grace. Monique touched each of our lives in ways words can barely express, and her spirit will continue to live on in the countless memories we hold close.

Though she is no longer with us in body, she will forever remain with us in spirit. Though our hearts are heavy, we take comfort in knowing that her light and love will never fade. We will carry her spirit with us always.

She was preceded in death by her father, Norman Ferguson Sr.; her sister, Jessica; grandparents, Frank and Mary Royal, Billy Jackson Sr. and Effie Jackson; her aunties, Claudia Holland and

First memory that comes to mind is The first day that Ken & Monique met. They were neighbors and she was outside watering the grass, and we was like look at that girl over there she cute. So we walked across the street to introduce ourselves and as we get closer, I'm like damn not her bro, I used to go to Mt. Miguel with that girl 🧑. After that our friendship grew we all got closer, Monique & Ken ended up becoming best friends. She was solid a genuine person. Will be truly missed

Monique was a truly beautiful soul — inside and out. She was the kind of person who could call you out when you were wrong, yet never judge you for your mistakes. Smart, talented, and full of light, she was one of those rare “star” people whose energy you felt the moment you met her. Monique was a close friend who gave honest advice, shared endless laughter, and made every moment brighter. I’ll never forget trying to copy her homework once — the teacher knew right away it wasn’t mine and called on me to explain. I couldn’t, and the whole class laughed. That memory still makes me smile because it reminds me how sharp she was and how she always inspired others to do better. Our circle of friends became family — a crew of guys and girls who were truly inseparable. We supported each other through everything, from my football games to her track meets, and our friends’ basketball games. No matter what the event was, we showed up for one another, and Monique was always right there cheering and bringing her incredible spirit. When I left for the military and would come back for vacation, our old crew would always find a way to hang out. Her warmth, humor, and genuine energy never changed — it was like no time had passed at all. She was more than a good friend — she was family. Loved by many and blessed with a wonderful soul. My deepest condolences to her family, and my heartfelt thanks to God and to her parents for sharing such a beautiful spirit with this world. Though God has called you home, Monique, your light will continue to shine down on us forever.

Monique has been a fixture in my life since we met in 1995, in 10th grade, at Mount Miguel high school. She was in 0 period, AVID, with my cousin Vernell. I enrolled in the class 2nd semester. Us and 8-10 other classmates formed a tight bond which still remains. Monique had her own nickname for me; Jeronimo. When school was on break, Vernell and I often would hangout at The Ferguson house. We were still kids. We would play Hide n Seek, Freeze tag, Truth or Dare; usually until night fall. Many times late into the night. Good ol' innocent childhood fun. Sometimes some of her cousins would be there to partake in the fun with us. We ran track together. Our crew would often go bowling, go to the movies, attend concerts together, etc. It was some of my fondest memories. Before any of us had cars, jobs or children. Monique was my best, closest, female friend. Always genuine. Always platonic. After graduating high school, Monique and I attended Cuyamaca College together. We would be together everyday at school Freshman year. It was just Monique and I. Fast forward a couple years, we became more grown. In 2000, we both were expecting our 1st born. Both had sons, a few months apart. Our sons would play together as babies while we, 'kicked it'. From teens to 20s. More fun, more get-togethers. 20s to 30s. More joy and pain, more children, more funerals. 30s to 40s. In 2020, for about 4 months, Monique and I would exercise together at Planet Fitness. We would be cracking up while sweating. Always a fun time. Even if we had not saw each other in a while, I would make sure to wish Monique a happy bEarthday and wish her and Mrs. Ferguson a happy mother's day. I am still quite in shock over my lovely loved one transitioning. I had no idea that she was ill with pneumonia. Strangely, I have not been sad for very long. The day she passed away, Monique visited me in a vision/dream. With her beautiful smile on her face and in her warm, soft voice, she said, 'Jeronimo, don't worry. Most High got me. I'm safe. Everything will be alright.' Monique Renee Ferguson I will always love you sooo much. I will honor your name. You will be with me eternally. Thank you gorgeous Empress.
