Happy Birthday mom! Miss you everyday. I know you're with me, my guardian angel guiding me. What I'd give to sit with you again and chat, to see your smile and hear your laughter. Life feels a little emptier without you here ❤️🌹🌈

In Respectful remembrance of Ms Carol Bracey.I never got the chance to meet Ms Bracey in person which leaves me with an empty place in my heart. I did have the honor of knowing about her through her children. I have experienced her magnificence through many stories and reminiscing they will continue to honor her with, carrying on her legacy.I know that memories of Ms Carol will forever be present in her children, thusly assuring that essence of Ms Carol is not gone but transformed.Family friend - Richard Lancey
