Jeri made me smile in many ways. She had a beautiful calm about her, a very Zen way of being at times. She was so accepting and so kind to me when I experienced a major loss, so loving. She also was very savvy about music and turned me on to some excellent tracks! Music that was joyful, or moody or outrageous. Jeri was savvy about so many things and I loved talking to her, loved chilling out with her. She was my delightful Diva, my sweet, funny, sarcastic friend. I will miss her always.
