Tracy Frances Sitar

AUG 17, 1957 - MAR 2, 2026

The family of Tracy Frances Sitar, has entrusted Greenwood Mortuary to attend to the funeral services of their loved one.

A beautiful soul has been called to rest in the eternal garden under the care of their higher power. While many will feel emptiness and the loss of their presence, many will find comfort that they are in a better place.

May Tracy's spirit continue to be present in every day of your existence and in every memory you express. They say that one is forgotten or dies when you allow the memories to fade or go unspoken.

Allow yourself time to grieve as this is part of the healing process but never forget that it lies within oneself to live and continue the legacy.

May Tracy's soul rest in peace and continue to watch over you and grant you strength.

Well, we never did get the chance to perform with each-other, but we remained friends through the years and that was far more important. I must admit that I was shocked and surprised to hear of your passing. That makes 2 friends gone in only 1 week. I am sure you are most missed by those to whom you were closest to. I hope there is a heaven, this way you can still look down and be a part of all.

Playing music with her was always a joy. She was quite the piano player and singer. She will truly be missed by many.
