“ Al and Lois were like second parents to me when I first moved to Date Street as a child. My Mom worked full time and entrusted them to watch over me and my sister and theirs was the only house I could visit after school for the first few years we resided on Date Street. I absolutely adored them both and Al fondly referred to me as his one of his daughters. My heart broke that I was not able to be physically present at his home-going service in order to pay my respects and honor him. But I was definitely there in spirit. Continued prayers for Wendy, Thala and all Al's family. I truly love you and words can't express how dearly you'll will be missed. Rest in Peace!

“ He was the best. He was funny, kind and giving. Al was the best husband, father, brother in law, uncle and friend any one could ask for. He was married to my sister Lois for over 57 years. I will miss both of them as she preceeded him in death Sept.30, 2019. Rest in heavenly peace, I love you ! Sharon

“ Our prayers go out to the entire Walker Family during the great loss of Alfonzo. I am currently 80 years old myself, and me and Alfonzo grew up together as children in the Denmark, TN area. Therefore, I basically know Alfonzo all of his life, and me and my wife Dornell had the great experience visiting with Alfonzo and Lois at their home in San Diego, and saw him several times after we relocated from Michigan back to Tennessee. He was a great person, always kind and friendly and would give you the shirt off of his back. I always enjoyed when he & Joel came to St. John No. 2 Baptist Church whenever they visited Tennessee. May God Bless & Keep the entire family. Hewitt & Dornell Chatman, Plant City, FL.
