Tia, you will forever be in my heart.

Although I attended your beautiful and memorable services and memorial I cannot believe you have left us here on earth. You created a loving family and gave my the best cousins a person can have.

I still remember the exciting feeling I would get as a little girl when my Mom and Dad would say, "vamos a San Diego. It was always the best time for me to see you my Tio and spend the best time ever with my cousins.

Your high standards of being a Lady will forever stay with me, your tenacity to have your dozen is remarkable, your high standards of always having an immaculate house definitely is instilled with me. I recall Luz saying she better have her house clean when you came to visit, she was not that concerned about her mother in law but boy she knew she would get the white glove test when Mamma came.

Thank you tia for all that you accomplished here on earth, you will forever be in my heart and will cherish those beautiful memories.

Forever your niece

Silvia (aka Chiva)
