

Henrietta Ramirez

September 10, 1940 - December 26, 2020

After a long and courageous battle with cancer, Mrs. Henrietta Ramirez passed away, peacefully, at her home, in San Diego; with her husband at her side, in the early morning of December 26, 2020.

A devoted wife, loving mother, sister and friend who, throughout her life, put the needs of her loved ones before her own. She had a loving heart and touched many lives with a genuine passion for life.

Born September 10, 1940 to parents, Frank and Ruby Chavarría, raised in Dallas Texas with four siblings: Nene, Becky, Junior and Federico (Fred). Her and her husband, Johnny, celebrated 63 years of marriage this past May.

After their first 2 children, Anthony & Rosanna “nana,” were born, in 1962 they relocated to San Diego, CA, where they raised a family and were blessed with 4 more children-Edward, Patty, Paul and Susan.

In 1975 Henrietta took a position as a teaching assistant at Sherman preparatory elementary school in San Diego.

She loved working with the children at her job where she remained until she retired in 1993.

She had a wonderful and vibrant personality and was always ready to head out on an adventure- shopping, going out to eat and especially visiting casinos around San Diego with her children and grandchildren.

Throughout her life, Henrietta always sacrificed her needs for the good of her family. She will be remembered as a selfless and kind wife and mother who always endeavored to try and see the good in people, even when times were tough. She had a quiet strength, never complained and always looked to a better future. Her character and temperament can best be shown from the time she was diagnosed with cancer about a year ago until her passing. She had every right to cry, be mad or even fall into depression but instead she loved and lived every moment she was given. Neither hard times nor cancer would rob her of who she was; full of energy and embracing life until god called her home.

She was preceded, in death, by her parents Frank and Ruby Chavarría, her sister Becky, her brother, Fred Chavarría and her 2 eldest sons Anthony and Edward Ramirez.

She is survived by her children- Paul, Patty, Rosanna, Susan, her husband Johnny and her 8 grandchildren and 3 great grandchildren.

She will always be with us in spirit and love and we look forward to the time we may see her again in heaven. May the Lord bless and keep her close to him and close to our hearts always. Rest in peace beloved Henrietta.

“God will wipe away every tear from their eyes and there shall be no more death, no more sorrow, nor crying nor pains for the former things have passed away.”

“ Dear Ramirez family,

We want to send our most sincere condolences to you all. Your mom worked with my mom at Sherman Elementary and they soon became really good friends. I remember those two were always joking around and laughing about something. They always seemed as if they were on vacation somewhere but they were actually at work. What joy to experience such fun at work! It is a time that I will always remember seeing them working alongside each other having a great time chatting about a staff member, books in the library, or one of the kids.

It was also wonderful to get to know all of the family and spend time together during holidays and other events that came up. Over the years life took its course and somewhere their relationship just went to the phone but still the laughs continued. Recently, we ran into Paul, Henry's youngest, and Henrietta was outside in the car while we were chatting inside of Costco. It almost felt like we were living those good times again when we ran into each other. The smile that Paul had on his face reminded me of those laughs and good times when we were younger watching our mothers having a great time laughing about something only they laughed about. We weren't allowed to know why they were laughing Sadly, we didn't get to see her as Judy and I were rushing off to our next item on our agenda. I am so sorry we did not get to visit that day one last time to watch those two laugh again and have one more smile together. Please know that we are with you in spirit as you say goodbye.

All our love and friendship,

Shelle, Judy and the Wong Family

“ Dearest mother, I am so sad and heart broken that you are no longer with us. You sacrificed so much to keep everyone happy. I will never forget everything you have done for me. I miss you so much, we had a beautiful and loving connection. I'm glad I got to spend most of my life close to you up till your last days. I knew this day would come and felt sad most of my life thinking about the day you would leave me and how would life be without you. I'm going to do my best mom trying to move forward because I know you only wanted the best for me and you don't want me to be sad. It's going to take time, this is the hardest challenge I will ever have to face in my life. I love you and will never forget you, ever. Your the best. I'm glad you don't have to suffer anymore. I hope one day we can meet again. And I promise I will take you to the casinos everytime you ask.

Paul
